

Candy Whirley Emotional Intelligence Introduction

- Have you ever wondered why people PUSH your buttons?
- Would you like to be more PROACTIVE instead of reactive?
- Have you ever wanted to know how to calm your emotions with someone saying CALM DOWN?

If you answered YES you are going to be glad you are here today...If you didn't answer yes...you may be in serious denial!!!

Our Speaker today:

- Has spoken from Fargo North Dakota to Seoul Korea to Africa
- Has owned her speaking business for 16 years
- Has her Master's in Management
- Is a writer and producer of several books and DVD's

She's a professional dancer:

- She's been dancing with her husband for 29 years
- She dances with her 3 grandbabies
- She dances with her American Bulldog Tessa
- And... she teaches people how to dance through life!

Today she is helping us...understand how to ... **get off the rollercoaster with Emotional Intelligence!**
